

Honeywell Docket No. H0004275.68586 US - 4018
Buchalter Docket No.: H9925-3405

REMARKS

The Notice of Non-Compliant Amendment indicates that Claims 1 and 5 have improper status identifiers. Applicant's attorney of record has reviewed the matter and wishes to point out that the status identifiers for both claims were correct but certain portions of both claims were inadvertently left underlined when they should not have been. The above listing of claims shows the claims as they should have been shown in the Response to Office Action filed on October 27, 2008.
